Those who have already visited us in during the *Fifth Central European Conference of Egyptologists* in June 2009 know that Pultusk, the so-called *Venice of the North*, offers a lot to be seen. You are whole-heartedly invited to visit Pultusk.

Enjoy the conference and:

the XVth century collegiate church with famous coffered, florally ornamented ceiling;

the longest cobblestone market in Europe;

Regional Archaeological Museum – with small pieces of the famous Pultusk meteorite (bigger pieces exhibited in London and Warsaw museums);

the Pultusk Castle – presently the Polonia House Hotel and conference centre, previously the abode of the bishops; inhabited by Napoleon;

one of the oldest Polish High School named after Piotr Skarga – famous Jesuits' preacher;

canoeing and gondola excursions on the river Narew

the *White Wilderness* with becoming extinct species of plants and animals extending from Pultusk to Ostrow Mazowiecka.

**We hope to see you in Pultusk next summer!**

We look forward to hearing from you

Yours,  
Joanna Popielska-Grzybowska
