VALLEY OF THE KINGS SINCE HOWARD CARTER

SYMPOSIUM
4 NOVEMBER 2009
MUMMIFICATION MUSEUM
LUXOR

The Supreme Council of Antiquities (SCA) is inaugurating the opening of Carter's rest-house, located on Luxor's West Bank, on 4 November 2009. The rest-house, built in 1910, is closely linked with all the events surrounding Howard Carter's magnificent discoveries and work. Restored and upgraded by the SCA, the rest-house will include various facilities allowing it to host a permanent exhibition telling the story of Carter's exceptional discovery. In conjunction with the inauguration, marking the 87th anniversary of the discovery of Tomb of Tutankhamun, the symposium entitled **Valley of the Kings Since Howard Carter** will feature prominent archaeologists and scholars who have conducted research related to the Valley of the Kings.
